

D-U-N-S Search Process

The following steps will guide you through checking for an active D-U-N-S number for your brewery. The D-U-N-S number will be used as the UFI or Unique Facility Identifier for your FDA Food Facility Registration/Renewal.

If you have previously created a Food Facility Registration with the FDA, use the registration details such as business name and exact address information from your FDA registration to complete this process. This information can be found with your login at <https://www.access.fda.gov/> using your login information.

- Use a web browser to navigate to <https://support.dnb.com/?cust=ImportSafetyRegistration>
- Enter email address you would like to register with on the Dun & Bradstreet website and click “Next.”
